

PRODUCT SHEET

ClassicLine frame, corner drain

SKU 2501.0208

VVS Number 155035208SKU 2501.0210

VVS Number 155035210SKU 2501.0212

VVS Number 155035212

Available in 8/10/12 mm heights (depending on the thickness of the floor tile). The rubber insert ensures a snug fit inside the unit. A countersunk bearing ensures that the grating fits perfectly into the frame.

The frame is non-optional and has two functions:

To support the grating and give a perfectly flush finish with the tiled floor. NB!
Frame height (H) = tile thickness + approximately 2 mm for tile mortar and membrane.

ClassicLine frame, corner drain - ClassicLine frame H 8

mm
