VVS Number 155046212SKU 3500.0308

VVS Number 155046307

Available in 8, 10 and 12 mm heights (depending on the thickness of the floor tile).

The rubber insert ensures a snug fit inside the unit. A countersunk bearing ensures that the grating fits perfectly into the frame.

The frame is non-optional and has two functions: To support the grating and give a perfectly flush finish with the tiled floor.

The grating is selected from among six attractive designs.

NB! Frame height (H) = tile thickness + approximately 2 mm for tile mortar and membrane.

ClassicLine frame for free-standing drain unit | Brushed steel - ClassicLine frame free-standing 300/10 mm

Size	Item Number	VVS Number
300	3500.0310	155046310
