

PRODUCT SHEET

Odour Barrier | 1820.0030 | Line drain

SKU 1820.0030

VVS Number 155039550

Has an automatic odour barrier instead of a water trap, so that it cannot dry out.

Can be removed for cleaning. VA-approved.

- SHOULD NOT BE USED IN MULTI-STOREY BUILDINGS
- Can react to the over- and under-pressure in the drainage system
- Correct venting of the drain system is therefore important, so that the odour barrier functions correctly
- Opens and closes with the help of a spring
- A rubber seal ensures that the odour barrier is closed when not in used

Odour Barrier | 1820.0030 | Line drain - Odour Barrier,
line drain - 1820.0030
