Odour barrier | 2821.0030 | Corner drain

SKU 2821.0030

VVS Number 155039520

Has an automatic odour barrier instead of a water trap, so that it cannot dry out. The odour barrier can be removed for cleaning. VA-approved.

- Should not be used in multi-storey buildings
- The odour barrier may react to over-pressure and under-pressure in the drain system
- Correct ventilation of the drain system is important
- The odour barrier opens and closes with the help of a spring
- A rubber seal ensures that the odour barrier is closed when not in use
