VVS Number 155018190

ShowerLine has a built-in slope, so that the floor in the shower cubicle slopes correctly by 2% down towards the floor drain. For added wetroom safety, the shower cubicle is framed by flanges on three sides.

The shower screen is mounted in the track on the fixed module, to eliminate the

risk of working loose over time.

Combine with: Outlet unit, frame, grating/panel and shower screen.

ShowerLine drain unit, left-aligned - ShowerLine drain unit, left-aligned - L 800 mm D 800 mm

Size	Item Number	VVS Number
800	5003.0808	155018100
Floor Construction	Net Weight	Weight Packaging Base
